

SEVEN NUMBERS

SEVEN NUMBERS

The Puklavec Family creates a most specific heritage and ultimate exclusivity with these wines. Geographic location is key. By marking our unique vineyards with seven numbers, we can trace every grape back to its location. Understanding specific terroir; microclimate and soil composition, demands dedication and knowledge. Our Seven Number wines prove this dedication can deliver spectacular results, enjoying a steadily growing reputation amongst wine connoisseurs.

Furmint

This Furmint is a full-bodied wine that is wonderfully floral and aromatic yet has a rich texture that is not too intense. It has a nice, complex taste, delivering distinctive varietal aromas of white flowers, herbal notes, citrus and spices. The fresh acids make this an extremely well-balanced wine that goes perfectly with white meat, pork, pasta, seafood and goat cheese salads.

Pinot Grigio

This Pinot Grigio is a full-bodied wine delivering distinctive varietal aromas. It has prominent peppery and spicy notes combined with aromas of ripe apple, ripe peach, ripe yellow fruits, hints of vanilla, toasted notes and a pleasant and long aftertaste. Thanks to the barrel maturing process, this wine has a rich and complex taste.

Sauvignon Blanc

This Sauvignon Blanc is a full-bodied wine that is wonderfully floral and aromatic yet has a rich texture that is not too intense. The wine offers delicate flavours of gooseberry, citrus, white currant, cut grass and a hint of spice. Excellent with grilled white meat and vegetables with fresh herbs, flavourful fish and mildly spiced dishes.

Yellow Muscat

This semi sweet full-bodied wine has a complex character and a beautiful bouquet of Yellow Muscat. The palate is ripe and pleasantly sweet with excellent fruit intensity and a long, succulent finish with hints of dried orange skin, peach, hints of citrus fruits and flowers. Goes well with desserts, cheeses or simply on its own.

Traminer Late Harvest

This sweet Auslese 2011 gives a full-bodied wine with an inviting golden-yellow color. This wine shows wonderful aromas of rose, lychee, dried fruits and honey. Full flavour, slightly oily texture and gentle spicy notes are its quintessential characteristics.

Icewine

This Icewine 2007 is made from Furmint and has a surprisingly bright yellow colour with a slight greenish tint. On the nose there are hints of dried fruits and almonds, which are even more prevalent in the taste. Together with the residual sugar and an intense, ripe acidity this special wine will continue to develop as it matures in the bottle.

PUKLAVEC FAMILY WINES

The Puklavec family's love for wine can be tracked back to 1934 in Slovenia.

Martin Puklavec had a vision: to make the finest wines together. This philosophy continues to resonate through the family's wine making today. Puklavec Family Wines are driven by the core values of passion, hard work and dedication to quality. Vladimir Puklavec and his two daughters, Tatjana and Kristina all work together, alongside the other winegrowers, with the determination to continue the pursuit of their (grand)father's vision.

Puklavec Family Wines are produced in the heart of Ljutomer-Ormož, a wine area in the Podravje region, in the North-Eastern part of Slovenia. This area provides the perfect microclimate conditions for grape growing.

The result are elegant wines, crafted with an uncompromising and passionate attention to detail, beautifully balanced and as expressive as the landscape of our vineyards.
